City of Erie Civil Service Board

The Civil Service Board accepts no lateral transfers from other departments, and each applicant must take both our written and physical exams, regardless of past law enforcement or military experience. By successfully passing both exams, an applicant's name is placed on a ranked hiring list (dependent on written test scores) which will be active beginning September 1 of the testing year.

Military service time is the only qualifier for additional points to the Erie Police written exam. Upon passing the test, the applicant must present to the city a valid military DD-214 form to receive an additional ten points to her/his written exam score.

You need not be a resident of Erie nor possess PA Act 120 certification to apply for employment or take the written and physical exams. You must have completed the PA Act 120 Training before the date-of-hire. The Erie Bureau of Police does not pay nor reimburse any applicant for attending the Act 120 Training.

The City of Erie does not discriminate on the basis of race, creed, national origin, sex, age or disability in employment or the provision of service.
